## FOR URGENT ATTENTION: BINDING RESOLUTION FOR JEWISH CITIZENS

Dear Mrs. Bures

Dear Dr. Dossi,

dear Mr. Hofer,

Dear Mr. Novak,

Dear Dr. Raggl,

dear Mrs. Schwarz-Fuchs,

Dear Mr. Sobotka

as well as other ladies and gentlemen of parliament,

'We for Humanity' is an initiative founded by a group of Holocaust survivors and their descendants. From our historical experience we warn: It is the end of any pluralistic democratic society when medicine, economy, education, science, justice, culture and media subordinate themselves to the dictates of the political executive as well as to the greed for profit.

With great concern we observe how Austria is becoming the European stronghold of dictatorship and contempt for humanity. "Shackle and vaccinate" - considered the president of the Austrian Medical Association, Thomas Szekeres. Shackle and vaccinate the 80-year-olds? Shackle and vaccinate the 5-year-olds? Restrain parents by force when they want to protect their children?

The supposed protection of the population is a pretext to justify seizure of power, dictatorship as well as segregation up to bodily harm resulting in death and enrichment of lobbies and lobbyists. It is obvious that the so-called pandemic is only a pretext because an **independent unbiased court** has made a decision for life and humanity based on the facts also known to you. You, on the other hand, use fear, hatred as well as division and despise human life - the lives of the defenseless elderly and the lives of children. These are your everyday tools for maintaining power.

Attached in *Attachment 1*, the Halachic Court ruling categorically prohibits children, adolescents, as well as adults of childbearing age from receiving the injection that has been relabeled as "vaccination" but is in fact experimental gene therapy. In the *Attachment 2* we record some premises under which you make your decisions, at the latest from now on - knowingly.

If you now escalate the dictatorial measures and subject Jewish doctors, Jewish nurses, Jewish nurses as well as Jewish patients and later every Jewish citizen to a medical experiment under coercion and/or pressure, you knowingly use the methods of Josef Mengele.

Please do not cross this red line, it is not too late to decide for respect and appreciation for human life. **For every human life.** Halachic stands for the legal portion of the **Old Testament**, for the principles of right and wrong that have stood the test of time for mankind for over 5,000 years and upon which some of our basic legal concepts are based. Halachic judges make their decisions based on the most current scientific knowledge and on the premise that they are responsible for their decisions before God and no one else.

We will do everything we can to make this decision available to everyone, because the Old Testament not only forms the basis for three world religions, but also contains the elementary principles of ethics and humanity – the **Ten Commandments** come from the same source. Do you still know what ethics, charity and empathy mean?

Humanity will know.

Sincerely

We for Humanity

## עת צרה היא ליעקב

נתאסמנו יחד אנחנו הח"מ לרזן בענין ה"וואקסין" החדש ממין mRNA (ונכלל בזה גם ממין "Adenoviral vector DNA"), ושמענו חור"ד מומחים גדולים הבקיאים בתחום זה, וכן על ידי רופאים מייצגי טיפול mRNA בעצמם שהעידו על פעולתם (רופאים רגילים אינם בקיאים כלל בענינים אלו, ואינם רק מקיימין מה שהממשלה CDC, NIH, וכדומה, מורה להם, כידוע), והראונו הסכנות הגדולות והחזיקות הכרוכות בזה, וגם שהממשלה וה"פארמאסיוטיקאל קאמפאניס" מכחישים הרבה בזה, וגם מעלימים ומכבידים מאד לידע בביורז גמור התוצאות המרות שכבר נגרמו לאלו שלקחו mRNA הזה. וגם מעכבים בכל אופנים שלא יתפרסמו החיזקות בין Media ובין Internet, כידוע.

וגם שמענו עדויות מאחינו בני ישראל שנחלו, ויותר מזה רח"ל, וגם מה שמזיק להמשך הדורות. והעולה על כולנה דבמקום שיש רפואות בדוקות ופשוטות, כיחשו בזה ואסרו להשתמש בהם, ועשו כל מה שביכולתם שיהא מחד ולא רמאה בעת שהם עצמם ידעו שאלו הרפואות מועילים.

ועל של עכשיו באנו שאישרו mRNA הזה גם לילדים, דלכולי עלמא אין בהמחלה שום סכנה להם, ובדעתם לחייב את הילדים כדי להגיע לתלמודי תורה ובית חינוך לבנות רח"ל.

על כן באנו לגלות דעתנו לפי התורה הקדושה הלכה למעשה:

- (א) על פי תורה איסור חמור ליתן או לעודד mRNA הזה לילדים, בחורים, או בתולות, אף אם לא יוכלו לילך לישיבה מעבר לים וכדומה. חייבים למחות נגד זה, וכל מי שבידו למנוע זה חייב לעשות כן בכל התוקף.
  - (ב) הרבה חיזיקות נגרמו למעוברות (יש שתולים את זה SM102b ויש שתולים זה ב"antibodies" שלוחמים נגד ה"פראטיין" הנקרא Syncytin-1, או בגרמת micro blood clot והצד השוה שבהן שמזיק ושייך בזה איסור השקת כוס עיקרין). וע"כ אסור להם ליקח את mRNA, ובכלל זה לבריאים כל זמן שיש חשש להמשיך קדושתן של ישראל יש להתרחק מזה.
  - (ג) לזקנים צריך ביורזים עזר (וככל שמעלימים המציאות וקשה לברר) אבל למעשה רואים breakthroughs שלכאור אין חילוק בין אלו שלקחו mRNA לאלו שלא לקחו. ומספר החולים מחמת הקאראנא בערך שווים. ומצד שני יש הרבה סכנות וחיזיקות לזקנים גם כן, וכבר שמענו על הרבה זקנים שנפטרו זמן קצר אחרי שקיבלו mRNA, ועל כן שב ואל תעשה עדיף, ובפרט שיש דרכי רפואה אחרוני.
- כן נתברר לנו - על ידי עורך דין העוסק בזה, כשהראה בעליל מהו בערך המציאות האמיתי כפי היכולת שלנו לברר ממה שהם אומרים. ויש לידע שמה שהם מפרסמים להימך יש בזה הרבה שקרים, לזונמא מי סמת מקאראנא תוך י"ד ימים אחר לקיחת mRNA נקרא אצלם unvaccinated ויש עוד דונמאות ואכמ"ל, וכדי לבוא לביורזים אמיתיים צריך חימוט אחר חימוט עד כמה טידינו מוגעת.
- (ד) שמענו עדויות מאחינו בני ישראל וגם מומחים בתוך התחום שמי שלקח mRNA הזה אם יהיה בקירוב מקום למעוברות יכול לגרום חיזק, ונקרא בלשונם shedding (והם משתמשים בזה בבעלי חיים באופן שאי אפשר ליתן וואקסיןען לכולם, שנותנים לחלק מהם, ומתפשט ע"י shedding לבעלי חיים אחרים) ולעת עתה אין ביורז עד כמה זמן שייך shedding, ועל"פ עד שתי שבועות לאחר קבלת mRNA טוב להתרחק מלהיות בקירוב מקום למעוברת.
  - (ה) באיסור לפני עור לא תתן מכשול נכלל שאסור כל מיני עידוד, שוחד ממון, ולחץ חן בדיבור או מעשה כדי שהפועלים וכדו' יקבלו mRNA.

כל הנ"ל הוא רק מענין התוצאות המרות שנראו כבר, אבל המומחים מהחירים ומתריעים על העתיד ה"י.

ומי שאמר לעולמו די יאמר לצרותינו די.

## Official translation of Halachic delineation

rendered and signed on the 22<sup>nd</sup> of Marcheshvan (after hearing eight hours of testimony from experts and other witnesses), with partial additional elaboration:

We the undersigned convened together to render judgment regarding the new "Covid 19 vaccine" (which we shall henceforth refer to as "injection", "vaccine", or "mRNA", although our intention is to include the "Adenoviral vector DNA" vaccine as well), and we heard testimonies from experts whose expertise is in this field. We also heard from doctors who invented and manufactured the mRNA, who testified as to its function (most doctors in medical practice are not experts in these matters at all, and from our experience and as is well-known, they merely relate the information provided to them by the NIH, CDC, etc.). They illustrated to us the profound danger and harm inherent in this new technology. They showed us how the governmental agencies and the pharmaceutical companies deny this fact, and how they conceal the data, making it so difficult for the public to realize the severe adverse reactions and mortalities that have befallen so many people who received the injection. We were also made privy to how they withhold the said information through various means, preventing the injuries and deaths from being publicized by the media or on the internet, as known.

We also heard testimonies from our fellow Jews who suffered injuries, and even worse Heaven forbid, and also how this injection is harmful to procreation and fertility. And most importantly – we heard how there are tested and simple medications that have been successful in treating this disease, yet the governmental agencies have denied this, and even outlawed the said medications, doing everything they can to promote fear, not health – despite the fact that they have themselves were aware that these medications work.

And now they have approved the mRNA for children as well – for whom it is universally known and is excepted fact that the disease presents no risk of danger – and their intention is to mandate the injection for children as a requisite for attending yeshivas and religious girls' schools, Heaven forbid.

The evidence presented, which includes reports of injuries actually due to the vaccine, or reasonably suspected to be due to the vaccine, as well as scientific knowledge suggesting the vaccine will cause, or may reasonably be suspected to cause harm (until proven to the contrary by adequate testing), provides a level of concern that exceeds Halachic standards.

**Therefore, we hereby express our rabbinic decision, as per the teachings of our holy Torah – a definitive Halachic ruling:**

- 1) It is absolutely forbidden to administer or even to promote this injection to children, adolescents, young men or women; even if it means that they will not be permitted by the government to attend yeshiva or seminary or to study abroad, etc. It is an explicit obligation to protest against this mandate, and anyone who can prevent the injection from being forced upon our youth must do so, forthrightly and empathically.**

The above admonition is in addition to the otherwise Halachically reprehensible nature of the injection:

- 1) due to its Halachically problematic ingredients ; 2) due to the fact that no one is liable for the possible damages caused by the injection, unlike most other contemporary medical treatments and therapies; and 3) because administering the injection to one's child assists the government in forcing other children to take it as well.
- 2) Much harm appears to be caused to pregnant women as a result of the injection (possibly due to the antibodies that the body develops against the protein called Syncytin-1, or from the SM102, or from the micro blood clots caused by the injection. The common denominator here is that it is harmful for a pregnant woman, and that it may be considered a violation of the prohibition of sterilization or preventing fertility). As such, it is forbidden for them to take this injection. Included in this are all healthy adults who are of child-bearing age – they too should stay away from the said injection. (There are many reports of women who do not stop bleeding for many months as a result of taking**

**the injection, making it impossible for them to achieve ritual purity, Heaven forbid. And for men there are many reports of the injection leading to deficiencies in potency, Heaven forbid).**

Significant follow-up acknowledgment:

We have been advised that the product label for the Pfizer injection states "Available data on CORMINATY administered to pregnant women are insufficient to inform vaccine-associated risks in pregnancy." We have also been advised that the CDC is conducting studies where there is an "urgent need" to study the effect of the vaccines in pregnancy. We have been further advised that the product label for the Pfizer vaccine states that it has "not been evaluated for the potential to cause carcinogenicity, genotoxicity, or impairment of male fertility". We consider that the risks inherent in these statements are Halachically unacceptable.

- 3) For older adults and the elderly, further clarification is needed (but as mentioned above, there are efforts to obscure the data, and it is presently difficult to obtain accurate clarification). However, practically we have seen breakthrough cases, indicating that there is no substantial difference between those who received the mRNA and those who did not. The number of Covid patients are about the same, comparatively, in both demographics.**

It has also come to our attention, thanks to the testimony of an attorney who closely monitors the promulgation of misinformation, who showed us how to interpret the true reality and frequency of injuries and mortalities from the data being shared. It should be known that much of the data the government agencies report is deceitful. For example, a Covid death that occurs in a person after receiving the injection, if it happened within fourteen days of receiving the injection, is listed as an "unvaccinated" death. For the sake of brevity, we will not go into further particulars; but let it suffice to say that there are more examples of this gross misrepresentation. In order to ascertain the truth and arrive to accurate findings, we really must examine the matter further - to the best of our ability.

**Alternatively, there are many injuries and risks involved which can reasonably be suspected as having been caused by the injection for adults and senior citizens as well, for we have witnessed many elders who passed away shortly after receiving the mRNA.**

**Therefore – it is best to err on the side of caution and abstain from taking the injection, rather than endangering one's life by performing an action that can engender immediate and direct harm. Especially since there are other medical treatments that work, as mentioned, and that are not harmful.**

**(It is also proper to emphasize the importance of using the treatments very early, which has been shown to enhance their effectiveness. In addition, we cannot understate the importance of becoming more educated about the true facts – for example, but watching the testimonies – and in this way, assuaging the fear which has overtaken so many).**

- 4) We have heard testimonies from individuals and from experts in the medical field, suggesting that it may be dangerous for pregnant women to be around people who have had the injection. This can be due to a phenomenon called "shedding", as it pertains to some types of vaccinations and gene therapies as discussed in the FDA's guidance on shedding from gene therapies. It is unclear whether it applies to the gene product only (the spike protein) or also to the genetic message (the mRNA or the adenoviral vector). It is unclear how long the shedding might be taking place – i.e., how long the recipient of the injection can affect a pregnant woman by being in her proximity. Hence, it is best to err on the side of caution – a minimum recommendation of distancing oneself from a pregnant woman for at least two weeks after receiving the injection is strongly suggested (also some have suggested that the effect may last up to ten months, or may even be indefinite).**
- 5) The prohibition (Leviticus 19:14) of putting a stumbling block in front of a blind person – i.e., assisting or enabling a person to violate a transgression – includes verbal encouragement, offering monetary incentives or other bribes, verbal pressure or actual threats, to coerce employees, etc., to receive the mRNA.**

In all the above, we only taken into account the tragedies that have already befallen our community members – not long-term effects, premonitions and frightening forecasts expressed in many of the testimonies we heard. May the Alm-ghty save us. May the One who said "enough" when creating the world – say "enough" to our suffering.

1. Bayer AG Board of Management member Stefan Oelrich said in October 2021:  
*"Ultimately, RNA vaccines are an example of this **cell and gene therapy**."*<sup>1</sup>
2. On 10/26/2021 related the approval from the Pfizer/Biontech therapy for the children 5 years and older, the following question was asked:  
*"Based on all available scientific evidence, do the benefits of Pfizer-Biontech's Covid-19 vaccine when administered in a series of two doses (10 µg per dose three weeks apart) outweigh the risks when used in children 5-11 years of age?"*  
Dr. Eric Rubin, a member of the committee responded, *"We will never know how safe the vaccine is until we start administering it. That's just the way it is."*<sup>2</sup>
3. More children are harmed and die from gene therapy than from the virus.<sup>3</sup>
4. In each country, the death curve follows the vaccination curve - here, data extracts from the Vaccine Adverse Event Reporting System (VAERS):
  - a. 2,610 fetal deaths - more than in 30 years after all vaccinations combined
  - b. Deaths as of 10/29/2021 compared to all vaccines in ten years.
