

Declaration against misuse of personal data and violation of the GDPR

I, [your full name],

hereby declare my express objection to the misuse of my personal data and the violation of the General Data Protection Regulation (GDPR, <https://eur-lex.europa.eu/legal-content/DE/TXT/PDF/?uri=CELEX:32016R0679>) in connection with the preparation of the digital ID, digital money, so-called 15-minute cities, centralized access to health data and KYC (Know Your Customer), which is de facto data retention, to name a few abuses.

The GDPR requires explicit, informed consent for the collection and processing of personal data (Art. 6 para. 1 lit. a, <https://eur-lex.europa.eu/legal-content/DE/TXT/PDF/?uri=CELEX:32016R0679>) as well as its use for a specific purpose (Art. 5 para. 1 lit. b). My right to informational self-determination, as enshrined in the German Basic Law (Art. 2 Para. 1 in conjunction with Art. 2 Para. 1 lit. a,), Art. 1 para. 1, https://www.gesetze-im-internet.de/gg/art_2.html) and in the Charter of Fundamental Rights of the EU (Art. 8, <https://eur-lex.europa.eu/legal-content/DE/TXT/PDF/?uri=CELEX:12012P/TXT>) is violated by the following measures:

- 1. digital ID and digital money:** these systems enable comprehensive surveillance and data storage without my consent
- 2. 15-minute cities:** These concepts collect movement data without transparent purpose limitation.
- 3. centralized health data:** Accessing health data without consent violates my privacy.
- 4. KYC/data retention:** KYC measures collect data without sufficient information or consent.

I have neither been informed about these measures nor have I consented to them. I expressly object to the collection, processing and use of my data for these purposes, as they violate the GDPR (<https://eur-lex.europa.eu/legal-content/DE/TXT/PDF/?uri=CELEX:32016R0679>) and my right to informational self-determination. I demand the immediate cessation of such practices, complete transparency and the deletion of unlawfully collected data (Art. 17 GDPR).
